I don't necessarily want to put a mileage limit on how far I am willing to drive. Of the Arizona SAR Chapters, I would go to the Goldwater, Palo Verde and Phoenix Chapters without any reservations. The same applies to local DAR and CAR Chapters and Societies. Under certain circumstances I would attend the Prescott and Tucson SAR Chapters, such as working it in with some "Time Off" trips. For the 3rd year in a row, I will be going back to the Rim Country Chapter in July and take a vacation trip north and west of Payson afterwards.

The topics that I have already prepared are 1) music of the American Revolution and 2) a review of the Book 1776.
